THEMED FLOORS + HYPER THEMED ROOMS

TAKING YOU MORE PLACES THAN YOUR AVERAGE HOTEL ROOM.

The Curtis features 13 themed floors covered with eye-catching art and installations that start in the elevator ride up after check-in. Look for photographs and memorabilia throughout our hallways and in your hotel room!

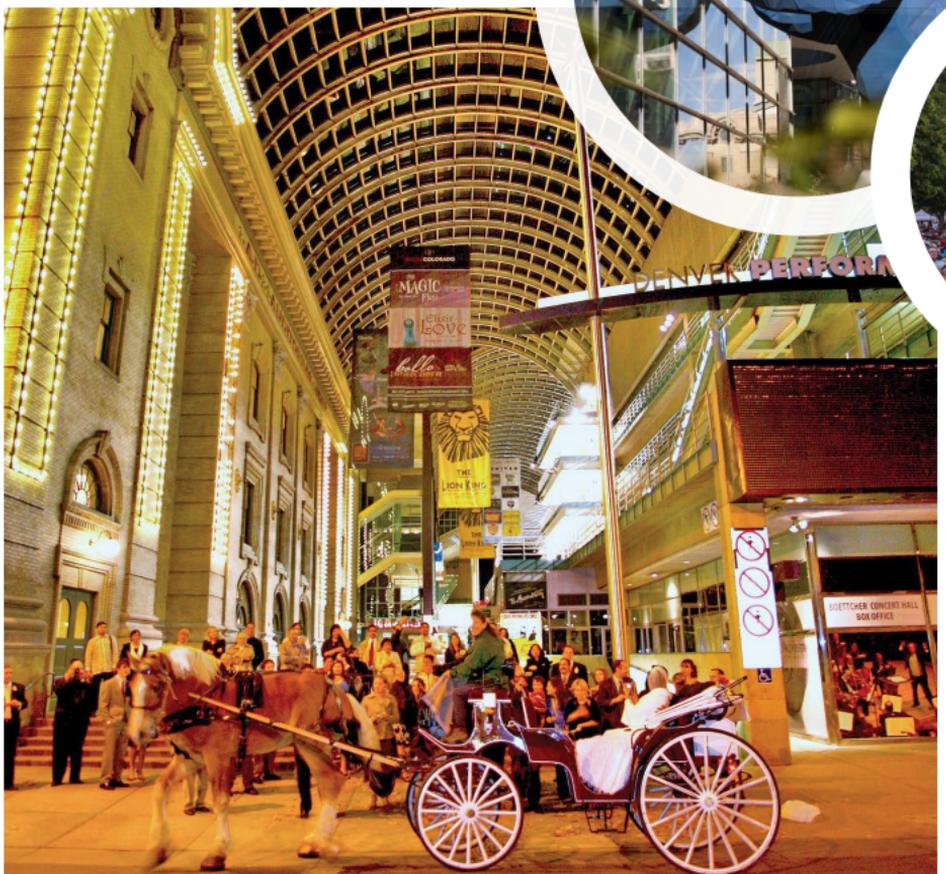

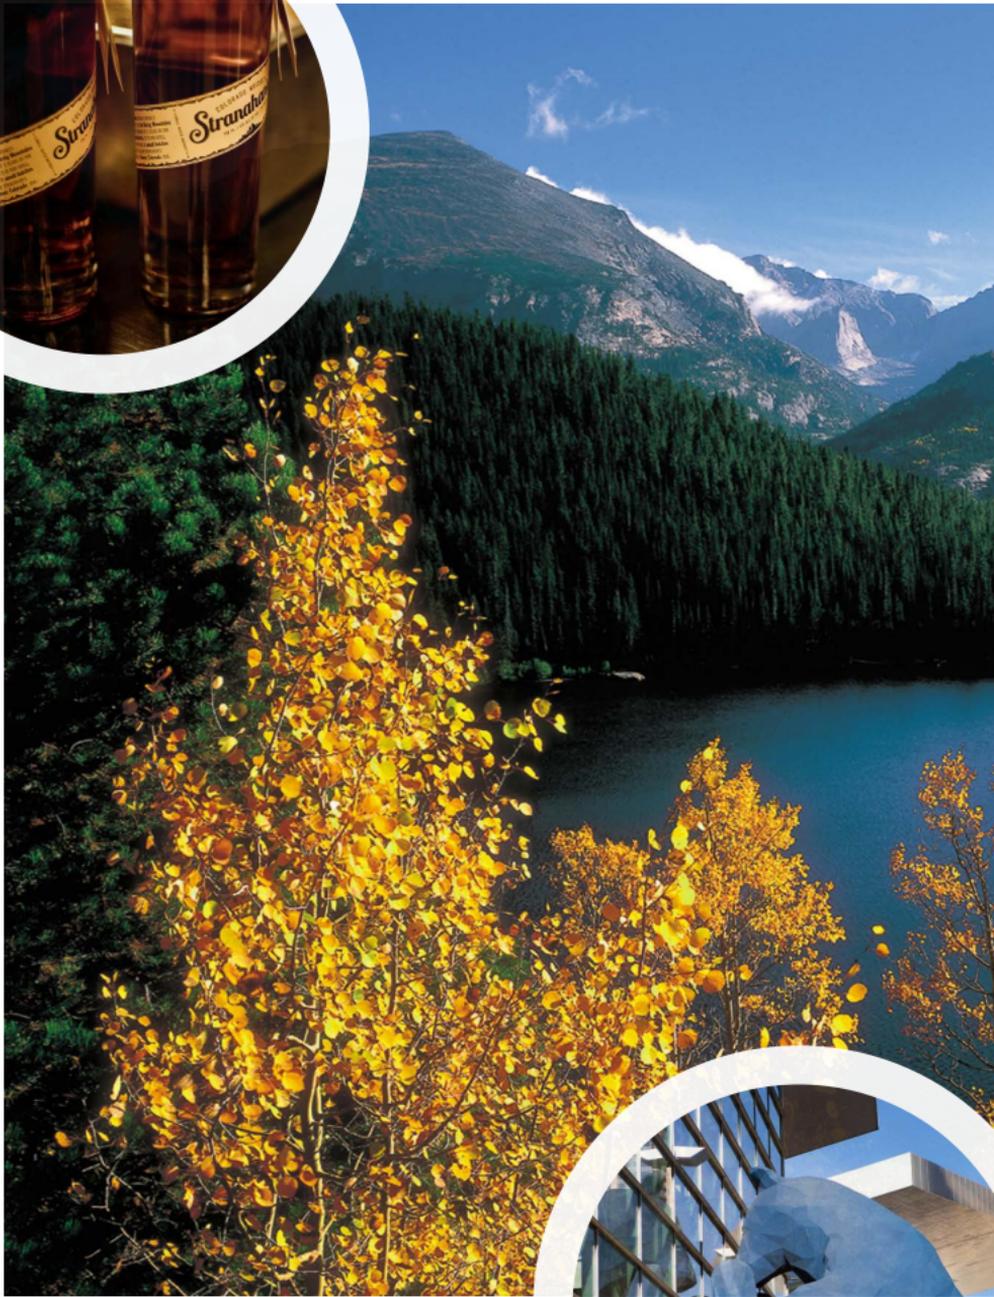

On each themed floor, we went all out and created hyper themed rooms! Do you put your pedal to the metal? Our Talladega Nights inspired room is full of more shake and bake and soda pop, that would finally help Ricky Bobby to figure out what to do with his hands.

Maybe you're someone who enjoys horror and thrills? There's pure evil on our Dun Dun Dunnnnn! (13th floor). Jack Nicholson as Jack Torrance from The Shining and a vintage vacancy notice from the Bates Motel are ready and waiting to keep things creepy.

TWO BLOCKS FROM EVERYWHERE

DENVER'S BEST MUSIC, ART, FOOD, AND FUN ARE JUST A HOP, SKIP, AND JUMP AWAY.

There's a reason why so many are flocking to the Mile High City. We are home to the Red Rocks Amphitheater, one of the greatest American music venues, we're listed as one of the best cities for business and careers by Forbes, and Denver is recognized on Zagat's "26 Hottest Food Cities of 2016" at No. 3! #humblebrag

When you stay at the Curtis, you experience the best of Denver. We're right across the street from the Denver Performing Arts Complex and just two short blocks from Larimer Square or the 16th Street Mall, putting Denver's best shopping, entertainment and attractions just steps away.

Here to experience a sporting event or performance? We're a proud partner with the Sport Authority Field at Mile High Stadium and our location is just under a 2-mile walk away. You can cheer on the Colorado Rockies at Coors Field or the Denver Nuggets at the Pepsi Center, which are both within 1 mile of the hotel!

THE CORNER OFFICE RESTAURANT + MARTINI BAR

IT'S TIME TO PUT IN SOME OVERTIME.

THE CORNER OFFICE®

The Corner Office is the flirty rendezvous, where edgy global dishes meet chic creative cocktails in the heart of downtown Denver. It's where progressive comfort food mixed with international flavors gives traditional favorites a fresh twist. Whether you're craving Japanese ramen, Indian tikka masala, or all-American burgers, every taste is met with iconic favorites and culinary flair. The Corner Office serves up power breakfasts, over-the-top brunches, working lunches, high-energy dinners, and, of course, their legendary happy hour.
